**PROXY STATEMENT
FOR THE 2016 ANNUAL MEETING OF SHAREHOLDERS**

May 18, 2016

QUESTIONS AND ANSWERS ABOUT THESE PROXY MATERIALS AND VOTING

Why am I receiving these materials?

We have sent you these proxy materials because the Board of Directors of Versartis, Inc. (sometimes referred to as the "Company" or "Versartis") is soliciting your proxy to vote at the 2015 Annual Meeting of Shareholders, including at any adjournments or postponements of the meeting. You are invited to attend the annual meeting to vote on the proposals described in this proxy statement. However, you do not need to attend the meeting to vote your shares. Instead, you may simply complete, sign and return the enclosed proxy card, or follow the instructions below to submit your proxy over the telephone or through the internet.

We intend to mail these proxy materials on or about April 13, 2016 to all shareholders of record entitled to vote at the annual meeting.

How do I attend the annual meeting?

The meeting will be held on Wednesday, May 18, 2016 at 2:00 p.m. local time at our offices located at 4040 Campbell Avenue, Suite 210, Menlo Park, California 94025. Directions to the annual meeting may be found at www.versartis.com. Information on how to vote in person at the annual meeting is discussed below.

Who can vote at the 2016 annual meeting?

Only shareholders of record at the close of business on April 4, 2016 will be entitled to vote at the 2016 annual meeting. On this record date, there were 29,422,247 shares of common stock outstanding and entitled to vote.

Shareholder of Record: Shares Registered in Your Name

If on April 4, 2016 your shares were registered directly in your name with the Company's transfer agent, American Stock Transfer & Trust Company, LLC, then you are a shareholder of record. As a shareholder of record, you may vote in person at the meeting or vote by proxy. Whether or not you plan to attend the meeting, we urge you to fill out and return the enclosed proxy card or vote by proxy over the telephone or on the internet as instructed below to ensure your vote is counted.

Beneficial Owner: Shares Registered in the Name of a Broker or Bank

If on April 4, 2016 your shares were held, not in your name, but rather in an account at a brokerage firm, bank, dealer or other similar organization, then you are the beneficial owner of shares held in "street name" and these proxy materials are being forwarded to you by that organization. The organization holding your account is considered to be the shareholder of record for purposes of voting at the annual meeting. As a beneficial owner, you have the right to direct your broker or other agent regarding how to vote the shares in your account. You are also invited to attend the annual meeting. However, since you are not the shareholder of record, you may not vote your shares in person at the meeting unless you request and obtain a valid proxy from your broker or other agent.

What am I voting on?

There are two (2) matters scheduled for a vote:

- Election of three directors; and
- Ratification of selection by the Audit Committee of the Board of Directors of PricewaterhouseCoopers LLP as independent registered public accounting firm of the Company for its fiscal year ending December 31, 2016.

What if another matter is properly brought before the meeting?

The Board of Directors knows of no other matters that will be presented for consideration at the Annual Meeting. If any other matters are properly brought before the meeting, it is the intention of the persons named in the accompanying proxy to vote on those matters in accordance with their best judgment.

How do I vote?

You may either vote "For" all the nominees to the Board of Directors or you may "Withhold" your vote for any nominee you specify. For the proposal to ratify the selection of PricewaterhouseCoopers LLP, you may vote "For" or "Against" or abstain from voting.

The procedures for voting are fairly simple:

Shareholder of Record: Shares Registered in Your Name

If you are a shareholder of record, you may vote in person at the annual meeting, vote by proxy using the enclosed proxy card, vote by proxy over the telephone or vote by proxy through the internet. Whether or not you plan to attend the meeting, we urge you to vote by proxy to ensure your vote is counted. You may still attend the meeting and vote in person even if you have already voted by proxy.

- To vote in person, come to the annual meeting and we will give you a ballot when you arrive.
- To vote using the proxy card, simply complete, sign and date the **enclosed** proxy card and return it promptly in the envelope provided. If you return your signed proxy card to us before the annual meeting, we will vote your shares as you direct.
- To vote over the telephone, dial toll-free 1-800-690-6903 using a touch-tone phone and follow the recorded instructions. You will be asked to provide the company number and control number from the enclosed proxy card. Your telephone vote must be received by 11:59 p.m., California Time on May 17, 2016 to be counted.
- To vote through the internet, go to <http://www.proxyvote.com> to complete an electronic proxy card. You will be asked to provide the company number and control number from the enclosed proxy card. Your internet vote must be received by 11:59 p.m., California Time on May 17, 2016 to be counted.

Beneficial Owner: Shares Registered in the Name of Broker or Bank

If you are a beneficial owner of shares registered in the name of your broker, bank, or other agent, you should have received a voting instruction form with these proxy materials from that organization rather than from Versartis. Simply complete and mail the voting instruction form to ensure that your vote is counted. Alternatively, you may vote by telephone or over the internet as instructed by your broker or bank. To vote in person at the annual meeting, you must obtain a valid proxy from your broker, bank or other agent. Follow the instructions from your broker or bank included with these proxy materials, or contact your broker or bank to request a proxy form.

Internet proxy voting may be provided to allow you to vote your shares online, with procedures designed to ensure the authenticity and correctness of your proxy vote instructions. However, please be aware that you must bear any costs associated with your internet access, such as usage charges from internet access providers and telephone companies.

How many votes do I have?

On each matter to be voted upon, you have one vote for each share of common stock you own as of April 4, 2016.

What happens if I do not vote?

Shareholder of Record: Shares Registered in Your Name

If you are a shareholder of record and do not vote by completing your proxy card, by telephone, through the internet or in person at the annual meeting, your shares will not be voted.

Beneficial Owner: Shares Registered in the Name of Broker or Bank

If you are a beneficial owner and do not instruct your broker, bank, or other agent how to vote your shares, the question of whether your broker or nominee will still be able to vote your shares depends on whether the New York Stock Exchange ("NYSE") deems the particular proposal to be a "routine" matter. Brokers and nominees can use their discretion to vote "uninstructed" shares with respect to matters that are considered to be "routine," but not with respect to "non-routine" matters. Under the rules and interpretations of the NYSE, "non-routine" matters are matters that may substantially affect the rights or privileges of shareholders, such as mergers, shareholder proposals, elections of directors (even if not contested), executive compensation (including any advisory shareholder votes on executive compensation and on the frequency of shareholder votes on executive compensation), and certain corporate governance proposals, even if management-supported. Accordingly, your broker or nominee may not vote your shares on Proposals 1 without your instructions, but may vote your shares on Proposal 2 even in the absence of your instruction.

What if I return a proxy card or otherwise vote but do not make specific choices?

If you return a signed and dated proxy card or otherwise vote without marking voting selections, your shares will be voted, as applicable, "For" the election of all nominees for director and "For" the ratification of selection by the Audit Committee of the Board of PricewaterhouseCoopers LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2016. If any other matter is properly presented at the meeting, your proxyholder (one of the individuals named on your proxy card) will vote your shares using his or her best judgment.

Who is paying for this proxy solicitation?

We will pay for the entire cost of soliciting proxies. In addition to these proxy materials, our directors and employees may also solicit proxies in person, by telephone, or by other means of communication. Directors and employees will not be paid any additional compensation for soliciting proxies. We may also reimburse brokerage firms, banks and other agents for the cost of forwarding proxy materials to beneficial owners.

What does it mean if I receive more than one set of proxy materials?

If you receive more than one set of proxy materials, your shares may be registered in more than one name or in different accounts. Please follow the voting instructions on the proxy cards in the proxy materials to ensure that all of your shares are voted.

Can I change my vote after submitting my proxy?*Shareholder of Record: Shares Registered in Your Name*

Yes. You can revoke your proxy at any time before the final vote at the meeting. If you are the record holder of your shares, you may revoke your proxy in any one of the following ways:

You may submit another properly completed proxy card with a later date.

You may grant a subsequent proxy by telephone or through the internet.

You may send a timely written notice that you are revoking your proxy to Versartis's Secretary at 4200 Bohannon Drive, Suite 250, Menlo Park, California 94025.

You may attend the annual meeting and vote in person. Simply attending the meeting will not, by itself, revoke your proxy.

Your most current proxy card or telephone or internet proxy is the one that is counted.

Beneficial Owner: Shares Registered in the Name of Broker or Bank

If your shares are held by your broker or bank as a nominee or agent, you should follow the instructions provided by your broker or bank.

When are shareholder proposals and director nominations due for next year's annual meeting?

To be considered for inclusion in next year's proxy materials, your proposal must be submitted in writing by December 14, 2016, to our Secretary at 4200 Bohannon Drive, Suite 250, Menlo Park, California 94025. If you wish to submit a proposal (including a director nomination) at the meeting that is not to be included in next year's proxy materials, you must notify the Secretary of the Company in writing at the address above no earlier than January 18, 2017 and no later than February 17, 2017. You are advised to review the Company's Bylaws, which contain a description of the information required to be submitted as well as additional requirements about advance notice of stockholder proposals and director nominations.

How are votes counted?

Votes will be counted by the inspector of election appointed for the meeting, who will separately count, for the proposal to elect directors, votes "For," "Withhold" and broker non-votes; and, with respect to other proposals, votes "For" and "Against," abstentions and, if applicable, broker non-votes. Abstentions will be counted towards the vote total for Proposal 2, and will have the same effect as "Against" votes. Broker non-votes have no effect and will not be counted towards the vote total for any proposal.

What are "broker non-votes"?

As discussed above, when a beneficial owner of shares held in "street name" does not give instructions to the broker or nominee holding the shares as to how to vote on matters deemed by the NYSE to be "non-routine," the broker or nominee cannot vote the shares. These unvoted shares are counted as "broker non-votes."

How many votes are needed to approve each proposal?

For the election of directors, the nominee receiving the most "For" votes from the holders of shares present in person or represented by proxy and entitled to vote on the election of directors will be elected. Only votes "For" or "Withheld" will affect the outcome.

To be approved, Proposal No. 2, ratification of the selection of PricewaterhouseCoopers as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2016, must receive "For" votes from the holders of a majority of shares present in person or represented by proxy and entitled to vote on the matter. If you "Abstain" from voting, it will have the same effect as an "Against" vote. Broker non-votes will have no effect.

What is the quorum requirement?

A quorum of shareholders is necessary to hold a valid meeting. A quorum will be present if shareholders holding at least a majority of the outstanding shares entitled to vote are present at the meeting in person or represented by proxy. On the record date, there were 29,422,247 shares outstanding and entitled to vote.

Your shares will be counted towards the quorum only if you submit a valid proxy (or one is submitted on your behalf by your broker, bank or other nominee) or if you vote in person at the meeting. Abstentions and broker non-votes will be counted towards the quorum requirement. If there is no quorum, the holders of a majority of shares present at the meeting in person or represented by proxy may adjourn the meeting to another date.

How can I find out the results of the voting at the annual meeting?

Preliminary voting results will be announced at the annual meeting. In addition, final voting results will be published in a current report on Form 8-K that we expect to file within four business days after the annual meeting. If final voting results are not available to us in time to file a Form 8-K within four business days after the meeting, we intend to file a Form 8-K to publish preliminary results and, within four business days after the final results are known to us, file an additional Form 8-K to publish the final results.

What proxy materials are available on the internet?

The letter to shareholders, proxy statement, Form 10-K and annual report to shareholders are available at www.versartis.com.

PROPOSAL 1

ELECTION OF DIRECTORS

The Company's Board of Directors is divided into three classes, and each class has a three-year term. Vacancies on the Board may be filled only by persons elected by a majority of the remaining directors. A director elected by the Board to fill a vacancy in a class, including vacancies created by an increase in the number of directors, shall serve for the remainder of the full term of that class and until the director's successor is duly elected and qualified.

The Board of Directors presently has seven members. There are three directors in the class whose term of office expires in 2016. The nominees listed below are currently directors of the Company. If elected at the annual meeting, each nominee would serve until the 2019 annual meeting and until his successor has been duly elected and qualified, or, if sooner, until the director's death, resignation or removal. It is the Company's policy to encourage directors and nominees for director to attend the Annual Meeting.

Directors are elected by a plurality of the votes of the holders of shares present in person or represented by proxy and entitled to vote on the election of directors. Accordingly, the three nominees receiving the highest number of affirmative votes will be elected. Shares represented by executed proxies will be voted, if authority to do so is not withheld, for the election of the three nominees named below. If any nominee becomes unavailable for election as a result of an unexpected occurrence, shares that would have been voted for the nominee will instead be voted for the election of a substitute nominee proposed by Versartis. Each person nominated for election has agreed to serve if elected. The Company's management has no reason to believe that any nominee will be unable to serve.

The following is a brief biography of each nominee and each director whose term will continue after the annual meeting.

INFORMATION REGARDING THE BOARD OF DIRECTORS AND CORPORATE GOVERNANCE**INDEPENDENCE OF THE BOARD OF DIRECTORS**

As required under the NASDAQ Stock Market ("NASDAQ") listing standards, a majority of the members of a listed company's Board of Directors must qualify as "independent," as affirmatively determined by the Board of Directors. The Board consults with the Company's counsel to ensure that the Board's determinations are consistent with relevant securities and other laws and regulations regarding the definition of "independent," including those set forth in pertinent listing standards of NASDAQ, as in effect from time to time.

Consistent with these considerations, after review of all relevant identified transactions or relationships between each director, or any of his or her family members, and the Company, its senior management and its independent auditors, the Board has affirmatively determined that the following six directors are independent directors within the meaning of the applicable NASDAQ listing standards: Dr. Akkaraju, Mr. Greer, Mr. Jennings, Mr. Malik, Dr. Sun and Mr. Varian. In making this determination, the Board found that none of these directors or nominees for director had a material or other disqualifying relationship with the Company. Prior to the appointment of Mr. Shepard as our Chief Executive Officer, the Board considered Mr. Shepard to be independent.

BOARD LEADERSHIP STRUCTURE

The Board of Directors of the Company has an independent chair, Dr. Akkaraju, who has authority, among other things, to call and preside over Board meetings, including meetings of the independent directors, to set meeting

agendas and to determine materials to be distributed to the Board. Accordingly, the Board Chair has substantial ability to shape the work of the Board. The Company believes that separation of the positions of Board Chair and Chief Executive Officer reinforces the independence of the Board in its oversight of the business and affairs of the Company. In addition, the Company believes that having an independent Board Chair creates an environment that is more conducive to objective evaluation and oversight of management's performance, increasing management accountability and improving the ability of the Board to monitor whether management's actions are in the best interests of the Company and its shareholders. As a result, the Company believes that having an independent Board Chair can enhance the effectiveness of the Board as a whole. Prior to his appointment as our Chief Executive Officer, Mr. Shepard served as the independent chair of the Board.

ROLE OF THE BOARD IN RISK OVERSIGHT

One of the board's key functions is informed oversight of the Company's risk management process. The Board does not have a standing risk management committee, but rather administers this oversight function directly through the Board as a whole, as well as through various Board standing committees that address risks inherent in their respective areas of oversight. In particular, our Board is responsible for monitoring and assessing strategic risk exposure, including a determination of the nature and level of risk appropriate for the Company. Our audit committee has the responsibility to consider and discuss our major financial risk exposures and the steps our management has taken to monitor and control these exposures, including guidelines and policies to govern the process by which risk assessment and management is undertaken. The audit committee also monitors compliance with legal and regulatory requirements, in addition to oversight of the performance of our internal audit function at the time of its establishment. Our nominating and corporate governance committee monitors the effectiveness of our corporate governance guidelines, including whether they are successful in preventing illegal or improper liability-creating conduct. Our compensation committee assesses and monitors whether any of our compensation policies and programs has the potential to encourage excessive risk-taking. The Board has delegated to the Board's lead independent director the responsibility of coordinating between the Board and management with regard to the determination and implementation of responses to any problematic risk management issues.

MEETINGS OF THE BOARD OF DIRECTORS

The Board of Directors met eight times during the last fiscal year ended December 31, 2015. Each Board member attended 75% or more of the aggregate number of meetings of the Board and of the committees on which he served, held during the portion of the last fiscal year for which he was a director or committee member.

Audit Committee

The Audit Committee of the Board of Directors was established by the Board in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), to oversee the Company’s corporate accounting and financial reporting processes and audits of its financial statements. For this purpose, the Audit Committee performs several functions. The Audit Committee evaluates the performance of and assesses the qualifications of the independent auditors; determines and approves the engagement of the independent auditors; determines whether to retain or terminate the existing independent auditors or to appoint and engage new independent auditors; reviews and approves the retention of the independent auditors to perform any proposed permissible non-audit services; monitors the rotation of partners of the independent auditors on the Company’s audit engagement team as required by law; reviews and approves or rejects transactions between the company and any related persons; confers with management and the independent auditors regarding the effectiveness of internal controls over financial reporting; establishes procedures, as required under applicable law, for the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters and the confidential and anonymous submission by employees of concerns regarding questionable accounting or auditing matters; and meets to review the Company’s annual audited financial statements and quarterly financial statements with management and the independent auditor, including a review of the Company’s disclosures under “Management’s Discussion and Analysis of Financial Condition and Results of Operations.”

The Audit Committee is composed of three directors: Mr. Varian, Dr. Sun and Mr. Jennings. The Audit Committee met four times during the fiscal year ended December 31, 2015. The Board has adopted a written Audit Committee charter that is available to shareholders on the Company’s website at www.versartis.com.

The Board of Directors reviews the NASDAQ listing standards definition of independence for Audit Committee members on an annual basis and has determined that all members of the Company’s Audit Committee are independent (as independence is currently defined in Rule 5605(c)(2)(A)(i) and (ii) of the NASDAQ listing standards).

The Board of Directors has also determined that Mr. Varian qualifies as an “audit committee financial expert,” as defined in applicable SEC rules. The Board made a qualitative assessment of Mr. Varian’s level of knowledge and experience based on a number of factors, including his formal education and experience as a chief financial officer for public reporting companies.

Report of the Audit Committee of the Board of Directors

The Audit Committee has reviewed and discussed the audited financial statements for the fiscal year ended December 31, 2015 with management of the Company. The Audit Committee has discussed with the independent registered public accounting firm the matters required to be discussed by Auditing Standard No. 16, *Communications with Audit Committees*, as adopted by the Public Company Accounting Oversight Board (“PCAOB”). The Audit Committee has also received the written disclosures and the letter from the independent registered public accounting firm required by applicable requirements of the PCAOB regarding the independent

accountants' communications with the audit committee concerning independence, and has discussed with the independent registered public accounting firm the accounting firm's independence. Based on the foregoing, the Audit Committee has recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2015.

Respectfully submitted,

The Audit Committee of the Board of Directors
Mr. John Varian
Dr. Anthony Y. Sun
Mr. Edmon R. Jennings

Compensation Committee

The Compensation Committee is composed of three directors: Dr. Akkaraju, Dr. Malik and Mr. Greer. All members of the Company's Compensation Committee are independent (as independence is currently defined in Rule 5605(d)(2) of the NASDAQ listing standards). The Compensation Committee met four times during the fiscal year ended December 31, 2015. The Board has adopted a written Compensation Committee charter that is available to shareholders on the Company's website at www.versartis.com.

The Compensation Committee of the Board of Directors acts on behalf of the Board to review, recommend for adoption and oversee the Company's compensation strategy, policies, plans and programs, including:

- determining the appropriate relationship of compensation to the market to achieve corporate objectives;
- recommending to our board of directors for determination and approval the compensation and other terms of employment of our chief executive officer and his performance in light of relevant corporate performance goals and objectives;
- reviewing and approving the compensation and other terms of employment of our executive officers (other than our chief executive officer) and other employees, and corporate performance goals and objectives relevant to such compensation, and assessing the attainment of the prior year's corporate goals and objectives;
- appointing, compensating, and overseeing the work of compensation consultants, independent legal counsel or any other advisors engaged for the purpose of advising the committee after assessing the independence of such person in accordance with applicable NASDAQ rules;
- after consulting with compensation consultants, independent legal counsel or other advisor to our compensation committee, reviewing and recommending to our board of directors the compensation of our directors;
- reviewing and recommending to our board of directors and administering the equity incentive plans, compensation plans, and similar programs advisable for us, as well as evaluating and approving modification or termination of existing plans and programs;
- establishing policies with respect to equity compensation arrangements;
- reviewing and discussing annually with management the executive compensation disclosure and analysis required to be disclosed by SEC rules;

-
- recommending to our board of directors compensation-related proposals to be considered at our annual meeting of stockholders, including the frequency of advisory votes on executive compensation;
 - preparing the compensation committee report required by the SEC to be included in our annual proxy statement;
 - reviewing and discussing with management any conflicts of interest raised by the work of a compensation consultant or advisor retained by our compensation committee or management and how such conflict is being addressed, and preparing any necessary disclosure in our annual proxy statement in accordance with applicable SEC rules; and
 - reviewing and evaluating, at least annually, the performance of the compensation committee and the adequacy of its charter.

Compensation Committee Processes and Procedures

Typically, the Compensation Committee meets as its members deem necessary or appropriate, but in no event less than annually. The agenda for each meeting is usually developed by the Chair of the Compensation Committee, in consultation with the CEO and CFO. The Compensation Committee meets regularly in executive session. However, from time to time, various members of management and other employees as well as outside advisors or consultants may be invited by the Compensation Committee to make presentations, to provide financial or other background information or advice or to otherwise participate in Compensation Committee meetings. The Chief Executive Officer may not participate in, or be present during, any deliberations or determinations of the Compensation Committee regarding his compensation or individual performance objectives. The charter of the Compensation Committee grants the Compensation Committee full access to all books, records, facilities and personnel of the Company. In addition, under the charter, the Compensation Committee has the authority to obtain, at the expense of the Company, advice and assistance from compensation consultants and internal and external legal, accounting or other advisors and other external resources that the Compensation Committee considers necessary or appropriate in the performance of its duties. The Compensation Committee has direct responsibility for the oversight of the work of any consultants or advisers engaged for the purpose of advising the Committee. In particular, the Compensation Committee has the sole authority to retain, in its sole discretion, compensation consultants to assist in its evaluation of executive and director compensation, including the authority to approve the consultant's reasonable fees and other retention terms. Under the charter, the Compensation Committee may select, or receive advice from, a compensation consultant, legal counsel or other adviser to the compensation committee, other than in-house legal counsel and certain other types of advisers, only after taking into consideration six factors, prescribed by the SEC and NASDAQ, that bear upon the adviser's independence; however, there is no requirement that any adviser be independent.

During the past fiscal year, after taking into consideration the six factors prescribed by the SEC and NASDAQ described above, the Compensation Committee engaged Compensia, Inc. as compensation consultants. Compensia, Inc. was selected by the Compensation Committee based on interviews with a number of compensation consulting firms and on Compensia's significant experience and strong reputation in the life sciences sector. The Compensation Committee requested that Compensia, Inc.:

- evaluate the efficacy of the Company's existing compensation strategy and practices in supporting and reinforcing the Company's long-term strategic goals; and
- assist in refining the Company's compensation strategy and in developing and implementing an executive compensation program to execute that strategy.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee of the Board of Directors is responsible for identifying, reviewing and evaluating candidates to serve as directors of the Company (consistent with criteria approved by the Board), recommending to the Board for selection candidates for election to the Board of Directors, making

recommendations to the Board regarding the membership of the committees of the Board, periodically evaluating the performance of the Board, and developing and reviewing the Company's corporate governance principles.

The Nominating and Corporate Governance Committee is composed of two directors: Dr. Akkaraju and Mr. Jennings. Both members of the Nominating and Corporate Governance Committee are independent (as independence is currently defined in Rule 5605(a)(2) of the NASDAQ listing standards. The Nominating and Corporate Governance Committee met five times during the fiscal year ended December 31, 2015. The Board has adopted a written Nominating and Corporate Governance Committee charter that is available to shareholders on the Company's website and www.versartis.com.

The Nominating and Corporate Governance Committee believes that candidates for director should have certain minimum qualifications, including the ability to read and understand basic financial statements, being over 21 years of age and having the highest personal integrity and ethics. The Nominating and Corporate Governance Committee also intends to consider such factors as possessing relevant expertise upon which to be able to offer advice and guidance to management, having sufficient time to devote to the affairs of the Company, demonstrated excellence in his or her field, having the ability to exercise sound business judgment and having the commitment to rigorously represent the long-term interests of the Company's shareholders. However, the Nominating and Corporate Governance Committee retains the right to modify these qualifications from time to time. Candidates for director nominees are reviewed in the context of the current composition of the Board, the operating requirements of the Company and the long-term interests of shareholders. In conducting this assessment, the Nominating and Corporate Governance Committee typically considers diversity, age, skills and such other factors as it deems appropriate, given the current needs of the Board and the Company, to maintain a balance of knowledge, experience and capability.

In the case of incumbent directors whose terms of office are set to expire, the Nominating and Corporate Governance Committee reviews these directors' overall service to the Company during their terms, including the number of meetings attended, level of participation, quality of performance and any other relationships and transactions that might impair the directors' independence. The Committee also takes into account the results of the Board's self-evaluation, conducted annually on a group and individual basis. In the case of new director candidates, the Nominating and Corporate Governance Committee also determines whether the nominee is independent for NASDAQ purposes, which determination is based upon applicable NASDAQ listing standards, applicable SEC rules and regulations and the advice of counsel, if necessary. The Nominating and Corporate Governance Committee then uses its network of contacts to compile a list of potential candidates, but may also engage, if it deems appropriate, a professional search firm. The Nominating and Corporate Governance Committee conducts any appropriate and necessary inquiries into the backgrounds and qualifications of possible candidates after considering the function and needs of the Board. The Nominating and Corporate Governance Committee meets to discuss and consider the candidates' qualifications and then selects a nominee for recommendation to the Board by majority vote.

The Nominating and Corporate Governance Committee will consider director candidates recommended by shareholders. The Nominating and Corporate Governance Committee does not intend to alter the manner in which it evaluates candidates, including the minimum criteria set forth above, based on whether or not the candidate was recommended by a shareholder. Shareholders who wish to recommend individuals for consideration by the Nominating and Corporate Governance Committee to become nominees for election to the Board may do so by delivering a written recommendation to the Nominating and Corporate Governance Committee at the following address: 4200 Bohannon Drive, Suite 250, Menlo Park, California 94025 no earlier than the close of business on January 18, 2017 and no later than February 17, 2017. Submissions must include the full name of the proposed nominee, a description of the proposed nominee's business experience for at least the previous five years, complete biographical information, a description of the proposed nominee's qualifications as a director and a representation that the nominating stockholder is a beneficial or record holder of the Company's stock and has been a holder for at least one year. Any such submission must be accompanied by the written consent of the proposed nominee to be named as a nominee and to serve as a director if elected.

SHAREHOLDER COMMUNICATIONS WITH THE BOARD OF DIRECTORS

Historically, the Company has not provided a formal process related to shareholder communications with the Board. Nevertheless, every effort has been made to ensure that the views of shareholders are heard by the Board or individual directors, as applicable, and that appropriate responses are provided to shareholders in a timely manner. The Company believes its responsiveness to shareholder communications to the Board has been excellent.

CODE OF ETHICS

The Company has adopted the Versartis, Inc. Code of Conduct that applies to all officers, directors and employees. The Code of Conduct is available on the Company's website at www.versartis.com. If the Company makes any substantive amendments to the Code of Conduct or grants any waiver from a provision of the Code to any executive officer or director, the Company will promptly disclose the nature of the amendment or waiver on its website.

CORPORATE GOVERNANCE GUIDELINES

In 2014, the Board of Directors documented the governance practices followed by the Company by adopting Corporate Governance Guidelines to assure that the Board will have the necessary authority and practices in place to review and evaluate the Company's business operations as needed and to make decisions that are independent of the Company's management. The guidelines are also intended to align the interests of directors and management with those of the Company's shareholders. The Corporate Governance Guidelines set forth the practices the Board intends to follow with respect to board composition and selection, board meetings and involvement of senior management, Chief Executive Officer performance evaluation and succession planning, and board committees and compensation. The Corporate Governance Guidelines, as well as the charters for each committee of the Board, may be viewed at www.versartis.com.

PROPOSAL 2

RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of the Board of Directors has selected PricewaterhouseCoopers LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2015 and has further directed that management submit the selection of its independent registered public accounting firm for ratification by the shareholders at the annual meeting. PricewaterhouseCoopers LLP has audited the Company's financial statements since 2013, covering the Company's applicable reporting periods since its inception in 2008. Representatives of PricewaterhouseCoopers LLP are expected to be present at the Annual Meeting. They will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

Neither the Company's Bylaws nor other governing documents or law require shareholder ratification of the selection of PricewaterhouseCoopers LLP as the Company's independent registered public accounting firm. However, the Audit Committee of the Board is submitting the selection of PricewaterhouseCoopers LLP to the shareholders for ratification as a matter of good corporate practice. If the shareholders fail to ratify the selection, the Audit Committee of the Board will reconsider whether or not to retain that firm. Even if the selection is ratified, the Audit Committee of the Board in its discretion may direct the appointment of different independent auditors at any time during the year if they determine that such a change would be in the best interests of the Company and its shareholders.

The affirmative vote of the holders of a majority of the shares present in person or represented by proxy and entitled to vote on the matter at the annual meeting will be required to ratify the selection of PricewaterhouseCoopers LLP.

The policy generally pre-approves specified services in the defined categories of audit services, audit-related services and tax services up to specified amounts. The pre-approval of services may be delegated to one or more of the Audit Committee's members, but the decision must be reported to the full Audit Committee at its next scheduled meeting.

NARRATIVE TO SUMMARY COMPENSATION TABLE

Employment Offer Letters

We have entered into employment offer letters with each of our Named Executive Officers. The offer letters provide for “at will” employment and set forth the terms and conditions of employment, including annual base salary, target bonus opportunity, equity compensation, severance benefits and eligibility to participate in our employee benefit plans and programs. Our named executive officers were each required to execute our standard proprietary information and inventions agreement. The material terms of these offer letters are summarized below. These summaries are qualified in their entirety by reference to the actual text of the offer letters, which are filed as exhibits to our annual report on Form 10-K.

Jay Shepard

We entered into an employment offer letter with Mr. Shepard, our Chief Executive Officer, on May 12, 2015. Effective as of May 6, 2015, the day of his appointment as our Chief Executive Officer, Mr. Shepard received an annual base salary of \$500,000, with an annual target bonus of 50% of that base salary, based upon the achievement of performance criteria established by our board of directors.

In connection with his employment, on May 11, 2015, Mr. Shepard was granted an option to purchase 309,000 shares of our common stock under our 2014 Equity Incentive Plan, or our 2014 Plan. The option was granted with a per share exercise price equal to the fair market value of our common stock on the grant date. The option will vest over four years, with 25% of the shares subject to the option vesting on the first anniversary of his start date, and the remaining 75% of the shares subject to the option vesting in 36 substantially equal monthly installments thereafter, subject to his continuous service with us on each applicable vesting date. In connection with the commencement of his employment, on May 11, 2015, Mr. Shepard also received restricted stock units (RSUs) for 96,000 shares of our common stock. The RSUs will vest in four equal annual installments on the first, second, third and fourth anniversaries of his start date as our Chief Executive Officer, subject to his continuous service on each vesting date.

In addition, Mr. Shepard’s offer letter provides that upon a qualifying termination of employment, he will be entitled to certain severance payments and benefits, which are described below under “—Potential payments and benefits upon termination or change in control.”

Jeffrey L. Cleland, Ph.D.

We entered into an amended employment offer letter with Dr. Cleland, our former Chief Executive Officer, on December 20, 2010, which superseded offer letters we entered into with him on April 3, 2009 and May 12, 2009. Until his resignation in May 2015, Dr. Cleland received an annual base salary of \$460,000, with an annual target bonus of 50% of that base salary, based upon the achievement of performance criteria established by our board of directors.

In connection with his employment, on May 13, 2009, Dr. Cleland was granted an option to purchase 106,280 shares of our common stock under our 2009 Stock Plan, or our 2009 Plan. The option was granted with a per share exercise price equal to the fair market value of our common stock on the grant date and was immediately exercisable. Dr. Cleland exercised his option on May 14, 2009, subject to our right of repurchase, which lapsed in full on January 11, 2013. The shares were also subject to transfer restrictions, which restrictions terminated upon consummation of the Company’s secondary offering in January 2015.

In connection with his resignation as our Chief Executive Officer, we entered into a Separation and Consulting Agreement with Dr. Cleland. Pursuant to the Separation and Consulting Agreement, Dr. Cleland received a lump sum severance payment of \$358,800, or an equivalent of nine months; of his base salary. In addition, Dr. Cleland agreed to consult with the Company as a Senior Scientific Advisor until May 5, 2016,

during which time we have agreed to pay a monthly consulting fee of \$10,000. Vesting of Dr. Cleland's equity awards shall continue through the end of the consulting term.

In addition, Dr. Cleland's Separation and Consulting Agreement provides that in the event that the Company terminates the consulting relationship other than for cause prior to May 5, 2016, he will be entitled to certain benefits as described below under "—Potential payments and benefits upon termination or change in control."

Joshua T. Brumm

The option will vest over four years, with 25% of the shares subject to the option vesting on the first anniversary of his start date, and the remaining 75% of the shares subject to the option vesting in 36 substantially equal monthly installments thereafter, subject to his continuous service with us on each applicable vesting date.

In addition, Mr. Brumm's offer letter provides that upon a qualifying termination of employment, he will be entitled to certain severance payments and benefits, which are described below under "—Potential payments and benefits upon termination or change in control."

In connection with his employment, on April 6, 2015, Mr. Ward was granted an option to purchase 50,000 shares of our common stock under our 2014 Plan. The option was granted with a per share exercise price equal to the fair market value of our common stock on the grant date. The option will vest over four years, with 25% of the shares subject to the option vesting on the first anniversary of his start date, and the remaining 75% of the shares subject to the option vesting in 36 substantially equal monthly installments thereafter, subject to his continuous service with us on each applicable vesting date.

In addition, under the terms of our Change in Control Severance Benefit Plan, Mr. Ward may be entitled to certain severance payments and benefits, which are described below under "—Potential payments and benefits upon termination or change in control."

Employee benefit plans

Our named executive officers are eligible to participate in our employee benefit plans, including our medical, dental, vision, group life and accidental death and dismemberment insurance plans, in each case, on the same basis as all of our other employees. We maintain a 401(k) plan for the benefit of our eligible employees, including our named executive officers, as discussed in the section below entitled "—401(k) Plan."

401(k) plan

We maintain a retirement savings plan, or 401(k) plan, that provides eligible U.S. employees with an opportunity to save for retirement on a tax advantaged basis. Under our 401(k) plan, eligible employees may

defer eligible compensation subject to applicable annual contribution limits imposed by the Internal Revenue Code of 1986, as amended, or the Code. Employees' pre-tax contributions are allocated to each participant's individual account. Participants are immediately and fully vested in their contributions. We do not currently provide an employer match on employee contributions. The 401(k) plan is intended to be qualified under Section 401(a) of the Code with the 401(k) plan's related trust intended to be tax exempt under Section 501(a) of the Code. As a tax-qualified retirement plan, contributions to the 401(k) plan and earnings on those contributions are not taxable to the employees until distributed from the 401(k) plan.

Pension benefits

We do not maintain any pension benefit plans.

Nonqualified deferred compensation

We do not maintain any nonqualified deferred compensation plans.

POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE IN CONTROL

Severance benefits other than in connection with a change in control

Mr. Shepard

Mr. Shepard's offer letter provides that if we terminate his employment for any reason other than cause or permanent disability, or a qualifying termination, if Mr. Shepard (i) executes and does not revoke a release of claims within 60 days following the date he terminates employment with us, (ii) returns all of our property in his possession and (iii) resigns as a member of the Board, he will be entitled to twelve months of salary continuation payments and if he timely elects to continue his health insurance coverage under COBRA, we will pay a portion of his monthly COBRA premiums (at the same rate that we pay for active employees) for up to twelve months following the date he terminates employment with us. In addition, in the event of a qualifying termination, each of the option and restricted stock units granted to him under his offer letter will be credited with twelve months of service for purposes of vesting and the vested portion of such option and RSU shall remain exercisable for six months following the date he terminates service with us.

Dr. Cleland

Dr. Cleland resigned as President and Chief Executive Officer of the Company. In connection with the termination of his employment, the Company entered into a Separation and Consulting Agreement with Dr. Cleland under which he received a one-time severance payment of \$358,800 and the Company agreed to pay reimbursement of COBRA health insurance premiums for up to twelve months and monthly consulting fees of \$10,000 for a term of twelve months. In addition, Dr. Cleland's outstanding equity awards continue to vest during the consulting period in accordance with their terms, and any vested stock options held by Dr. Cleland will remain exercisable until 6 months after he ceases providing services to the Company. Dr. Cleland's Separation and Consulting Agreement provides that if we terminate his service as a consultant for any reason other than cause (as defined in the Separation and Consulting Agreement) or due to his death or disability, then the options he holds will continue vesting through the end of the consulting period and remain exercisable until November 5, 2016.

Mr. Brumm

Mr. Brumm's offer letter provides that in the event of a qualifying termination, if he (i) executes and does not revoke a release of claims within 60 days following the date he terminates employment with us and (ii) returns all of our property in his possession, he will be entitled to six months of salary continuation payments and if he timely elects to continue his health insurance coverage under COBRA, we will pay a portion of his monthly COBRA premiums (at the same rate that we pay for active employees) for up to six months following the date he terminates employment with us. In addition, in the event of a qualifying termination, the option granted to him under his offer letter will be credited with six months of service for purposes of vesting and the vested portion of such option will remain exercisable for one year following the date he terminates service with us.

Mr. Ward

Mr. Ward is not entitled to any additional payments in the event of a termination other than in connection with a change in control, as described below.

For purposes of each of the offer letters with our named executive officers, "cause" generally means (i) the unauthorized use or disclosure of our confidential information or trade secrets, (ii) a material breach of any agreement with us, (iii) a material failure to comply with our written policies or rules, (iv) the conviction of or plea of guilty or no contest to a felony, (v) gross negligence or willful misconduct, (vi) the continued failure to perform assigned duties, or (vii) the failure to cooperate in good faith with a governmental or internal investigation of us or our directors, officers or employees, upon our request.

For purposes of each of the offer letters with our named executive officers, “permanent disability” means the inability to perform the essential functions of the named executive officer’s position, with or without reasonable accommodation, for a period of at least 120 consecutive days because of a physical or mental impairment.

Change in control

Change in control severance benefit plan

We have adopted a change in control severance benefit plan, or the severance plan. The severance plan provides certain of our employees, including each of our named executive officers, with severance payments and benefits upon certain qualifying terminations of employment within a one-year period following the closing of a change in control, as defined in the severance plan. The summary below is qualified by reference to the actual text of the severance plan, which is filed as an exhibit to the registration statement of which this prospectus is a part.

Under the severance plan, in the event of an involuntary termination without cause (and not due to death or disability) or if a participant resigns for good reason, if the participant in the severance plan (i) executes and does not revoke a release of claims within 60 days following the date he terminates employment with us and (ii) returns all of our property in his possession, he will be entitled to cash severance equal to the sum of his or her monthly base salary and monthly annual bonus target, multiplied by a severance multiplier, which is 15 in the case of Mr. Shepard, and 12 in the cases of Mr. Brumm and Mr. Ward. In addition, following a qualifying termination, if a participant timely elects to continue his health insurance coverage under COBRA, we will pay a portion of his monthly COBRA premiums for up to 15 months in the case of Dr. Cleland, and 12 months in the cases of Mr. Brumm and Mr. Westberg, following the date of termination.

All stock awards which are vested and exercisable as of the date of a qualifying termination under the severance plan (including by virtue of the provisions of the applicable equity plan) will remain outstanding and exercisable until the earliest to occur of (i) the last day of the applicable severance period, which is 15 months in the case of Mr. Shepard, and 12 months in the cases of Mr. Brumm and Mr. Ward and (i) the expiration of the original term of such stock awards.

If one of our named executive officers is entitled to severance benefits under the severance plan by virtue of a qualifying termination of employment within 12 months following a change in control, he would not be entitled to severance benefits under the terms of his offer letter.

In addition, the severance plan provides that, except as otherwise expressly provided in an agreement between us and a participant, if any payment or benefit a participant would receive in connection with a change in control would constitute a “parachute payment” within the meaning of Section 280G of the Internal Revenue Code and such payment or benefit would be subject to the excise tax imposed by Section 4999 of the Internal Revenue Code, then such payment or benefit will be equal to either (1) the largest portion of the change in control payment that would result in no portion of the payment or benefit being subject to the excise tax, or (2) the largest portion, up to and including the total payment or benefit, whichever amount, after taking into account all applicable taxes, including the excise tax (all computed at the highest applicable marginal rate), would result in the participant’s receipt, on an after-tax basis, of the greatest economic benefit to the participant, notwithstanding that all or some portion of the payment or benefit may be subject to the excise tax. If a reduction is so required, the reduction will occur in the order specified in the severance plan.

Treatment of options under our 2009 Stock Plan

Our 2009 Plan, provides that outstanding options will be treated as follows in the event of a change in control, subject to any other limitations proposed by the administrator of the 2009 Plan:

- Immediately prior to the consummation of a change in control, outstanding repurchase rights held by us related to any outstanding options will terminate;

-
- To the extent that outstanding options are not assumed or otherwise continued in connection with a change in control, the shares subject to each outstanding option will vest in full immediately prior to the closing of the change in control and the option will terminate immediately following the change in control; or
 - If outstanding options are assumed or otherwise continued in connection with a change in control, in the event of an involuntary termination of employment (as defined in the 2009 Plan) within 12 months following the closing of the change in control, the shares subject to such assumed or continued options will vest in full on the date of termination.
 - In addition, our form of option agreement under the 2009 Plan provides that if options are assumed or otherwise continued in connection with a change in control transaction, the options subject to such agreements will become fully exercisable.

For purposes of the 2009 Plan, a change in control generally means (i) a merger, consolidation or other reorganization in which securities representing more than 50% of the total combined voting power of our outstanding securities are beneficially owned, directly or indirectly, by a person or persons different from the person or persons who beneficially owned those securities immediately prior to such transaction, (ii) a sale, transfer or other disposition of all or substantially all of our assets, or (iii) any person becomes the “beneficial owner”, directly or indirectly, of securities representing 50% or more of the total voting power of our then outstanding securities.

For purposes of the 2009 Plan, an involuntary termination generally means, during the 12 months following the closing of a change in control, either (1) a termination of service other than for misconduct (as defined in the 2009 Plan) or (2) a voluntary resignation following: a material diminution in the optionee’s base compensation; a material diminution in the optionee’s authority, duties, position or responsibilities; a material diminution in the authority, duties, position or responsibilities of the optionee’s supervisor (including a requirement that an optionee report to a corporate officer or employee instead of directly to our board of directors); a material diminution in the budget over which the optionee retains authority; a relocation of the optionee’s principal place of work to a location more than 50 miles away from the principal place of work prior to a change in control; or any other act or omission that constitutes a material breach by us of the 2009 Plan.

Treatment of stock awards under our 2014 Equity Incentive Plan

Our 2014 Plan, provides that in the event of certain corporate transactions, as defined in the 2014 Plan, the following provisions will apply to outstanding stock awards, unless otherwise provided in a stock award agreement or any other written agreement between us and a participant, or unless otherwise expressly provided by our board of directors at the time of grant of a stock award:

- The surviving or acquiring corporation (or its parent) may assume, continue or substitute similar stock awards for outstanding stock awards under the 2014 Plan and any reacquisition or repurchase rights held by us may be assigned to the surviving or acquiring corporation (or its parent); provided, that if any such stock awards are so assumed, continued or substituted, if a participant incurs an involuntary termination on or following the date of such corporate transaction, any unvested shares subject to such assumed, continued or substituted stock awards will vest in full as of the date of such termination;
- To the extent that outstanding stock awards are not so assumed, continued or substituted, the vesting and, if applicable, exercisability of any such stock awards held by participants whose continuous service has not terminated prior to the effective time of the corporate transaction will be accelerated in full to a date prior to the effective time of such corporate transaction, and such stock awards will terminate if not exercised (if applicable) at or prior to the effective time of such corporation transaction, and any reacquisition or repurchase rights held by us will lapse, contingent upon the effectiveness of such corporate transaction;

-
- To the extent that outstanding stock awards are not so assumed, continued or substituted, the vesting and, if applicable, exercisability of any such stock awards held by participants whose continuous service has terminated prior to the effective time of the corporate transaction will not be accelerated and all unvested stock awards held by such participants will terminate if not exercised (if applicable) prior to the effective time of the corporate transaction, but any reacquisition or repurchase rights held by us may continue to be exercised notwithstanding such corporate transaction; or
 - To the extent a stock award will terminate if not exercised prior to the effective time of a corporate transaction, our board of directors may provide that the holder of the stock award may not exercise the stock award, but instead will receive a payment, in such form as may be determined by our board of directors, equal in value to the excess, if any, of the value of the property the participant would have received upon exercise of the stock award over any exercise price payable by such holder in connection with such exercise.

A stock award may be subject to additional acceleration of vesting and exercisability upon or after a change in control, as defined in the 2014 Plan, as may be provided in the stock award agreement for such stock award or in any other written agreement between us and a participant, but in the absence of such a provision, no such acceleration will occur.

For purposes of the 2014 Plan, an involuntary termination generally means, during the 12 months following the closing of a corporate transaction or change in control, either (1) a termination of service other than for cause (as defined in the 2014 Plan) or (2) a voluntary resignation following: a material diminution in the participant's base salary; a material diminution in the participant's authority, duties, position or responsibilities; a material diminution in the authority, duties, position or responsibilities of the participant's supervisor (including a requirement that a participant report to a corporate officer or employee instead of directly to our board of directors); a material diminution in the budget over which the participant retains authority; a relocation of the participant's principal place of work to a location more than 50 miles away from the principal place of work prior to the consummation of a corporate transaction or a change in control; or any other act or omission that constitutes a material breach by us of the 2014 Plan.

NON-EMPLOYEE DIRECTOR COMPENSATION POLICY

In March 2014, the Board of Directors approved a non-employee director compensation policy that became effective upon the completion of our initial public offering, or the IPO, and was subsequently amended effective as of May 21, 2015 and March 17, 2016.

Under this policy, we will pay each of our non-employee directors a cash retainer for service on the Board of Directors and for service on each committee on which the director is a member. The chairman of each committee receives an additional retainer for such service. These retainers are payable in arrears in four equal quarterly installments on the last day of each quarter, provided that the amount of such payment will be prorated for any portion of such quarter that the director is not serving on our Board of Directors. The retainers paid to

non-employee directors for service on the Board of Directors and for service on each committee of the Board of Directors on which the director is a member are as follows:

	Member Annual Service Retainer	Chairman Annual Service Retainer
Board	\$ 40,000	\$ 25,000
Audit Committee	\$ 7,500	\$ 15,000
Compensation Committee	\$ 5,000	\$ 15,000
Nominating and Corporate Governance Committee	\$ 3,500	\$ 10,000

In addition, on the date of each annual meeting of stockholders held, each non-employee director that continues to serve as a non-employee member on our Board of Directors will receive equity awards under our 2014 Plan, with a total grant date fair value of \$125,000, with 70% of the grant date value allowed to a stock option grant and 30% of the grant date value to a restricted stock unit award. Each stock award will vest in full on the earlier of the date of the annual stockholder meeting following the meeting in connection with which it was granted, or the first anniversary of the grant date. The exercise price of such options will equal the fair market value of our common stock on the date of grant. For any new non-employee director who joins the Board, the initial equity award will have a total grant date fair value of \$250,000, and the awards will vest on an annual basis over three years. For a new non-employee director is elected or appointed at a time other than at the annual meeting of stockholders, then the director will receive an additional award with a grant date fair value of \$125,000, prorated for the number of days from such election or appointment until the next annual meeting, and the award will vest on the date of first annual meeting following such election or appointment. In each case, vesting of the award is subject to the director's continuous service on each vesting date. This policy is intended to provide a total compensation package that enables us to attract and retain qualified and experienced individuals to serve as directors and to align our directors' interests with those of our stockholders.

In accordance with this policy prior to its amendment in March 2016, we paid each of our non-employee directors a cash retainer of \$35,000 for the year ended December 31, 2015 for their service on the Board of Directors. Directors have been and will continue to be reimbursed for expenses directly related to their activities as directors, including attendance at board and committee meetings. Directors are also entitled to the protection provided by their indemnification agreements and the indemnification provisions in our certificate of incorporation and bylaws.

TRANSACTIONS WITH RELATED PERSONS

RELATED-PERSON TRANSACTIONS POLICY AND PROCEDURES

In 2014, the Company adopted a written Related-Person Transactions Policy that sets forth the Company's policies and procedures regarding the identification, review, consideration and approval or ratification of "related-persons transactions." For purposes of the Company's policy only, a "related-person transaction" is a transaction, arrangement or relationship (or any series of similar transactions, arrangements or relationships) in which the Company and any "related person" are participants involving an amount that exceeds \$120,000. Transactions involving compensation for services provided to the Company as an employee, director, consultant or similar capacity by a related person are not covered by this policy. A related person is any executive officer, director, or more than 5% shareholder of the Company, including any of their immediate family members, and any entity owned or controlled by such persons.

Under the policy, where a transaction has been identified as a related-person transaction, management must present information regarding the proposed related-person transaction to the Audit Committee (or, where Audit Committee approval would be inappropriate, to another independent body of the Board) for consideration and approval or ratification. The presentation must include a description of, among other things, the material facts, the interests, direct and indirect, of the related persons, the benefits to the Company of the transaction and whether any alternative transactions were available. To identify related-person transactions in advance, the Company relies on information supplied by its executive officers, directors and certain significant shareholders. In considering related-person transactions, the Committee takes into account the relevant available facts and circumstances including, but not limited to (a) the risks, costs and benefits to the Company, (b) the impact on a director's independence in the event the related person is a director, immediate family member of a director or an entity with which a director is affiliated, (c) the terms of the transaction, (d) the availability of other sources for comparable services or products and (e) the terms available to or from, as the case may be, unrelated third parties or to or from employees generally. In the event a director has an interest in the proposed transaction, the director must recuse himself or herself from the deliberations and approval. The policy requires that, in determining whether to approve, ratify or reject a related-person transaction, the Committee consider, in light of known circumstances, whether the transaction is in, or is not inconsistent with, the best interests of the Company and its shareholders, as the Committee determines in the good faith exercise of its discretion.

CERTAIN RELATED-PERSON TRANSACTIONS

The following is a summary of transactions since January 1, 2014 in which we have participated in which the amount involved exceeded or will exceed \$120,000, and in which any of our directors, executive officers or holders of more than five percent of our capital stock or any members of their immediate family had or will have a direct or indirect material interest, other than compensation arrangements which are described under "Executive Compensation" and "Director Compensation."

Sales of Preferred Stock

In February 2014, the Company sold an aggregate of 48,758,857 shares of our Series E convertible preferred stock at a purchase price of \$1.128 per share for an aggregate purchase price of approximately \$55.0 million, of which 34,121,608 were sold to holders of more than 5% of our capital stock, including one group of affiliated holders that became a 5% stockholder pursuant to the transaction. Following our reverse stock split that became effective on March 6, 2014, these shares are convertible into common stock on the basis of 11.5 shares to one. In February 2014, pursuant to the Series D Securities Purchase Agreement entered into in October 2013, we sold an aggregate of 13,168,291 shares of our Series D-2 convertible preferred stock at a purchase price of \$0.7594 per share for an aggregate purchase price of approximately \$10.0 million, of which 13,135,370 were sold to holders of more than 5% of our capital stock. Following our reverse stock split that became effective on March 6, 2014, these shares are convertible into common stock on the basis of 11.5 shares to one.

Investor rights agreement

We are party to an investor rights agreement that provides holders of common stock issued upon conversion of our convertible preferred stock, including certain holders of 5% of our capital stock and entities affiliated with certain of our directors, with certain registration rights, including the right to demand that we file a registration statement or request that their shares be covered by a registration statement that we are otherwise filing.

Voting agreement

Prior to our initial public offering in March 2014, we were party to a voting agreement under which certain holders of our capital stock, including certain holders of 5% of our capital stock and entities affiliated with certain of our directors, agreed to vote in a certain way on certain matters, including with respect to the election of directors. The voting agreement terminated upon the closing of our initial public offering, and none of our stockholders have any special rights regarding the election or designation of members of our board of directors.

Indemnification agreements

Our amended and restated certificate of incorporation contains provisions limiting the liability of directors and our amended and restated bylaws provide that we will indemnify each of our directors to the fullest extent permitted under Delaware law. Our amended and restated certificate of incorporation and amended and restated bylaws also provide our board of directors with discretion to indemnify our officers and employees when determined appropriate by the board. In addition, we have entered and expect to continue to enter into agreements to indemnify our directors and executive officers.

HOUSEHOLDING OF PROXY MATERIALS

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for Annual Meeting materials with respect to two or more shareholders sharing the same address by delivering a single set of Annual Meeting materials addressed to those shareholders. This process, which is commonly referred to as “householding,” potentially means extra convenience for shareholders and cost savings for companies.

This year, a number of brokers with account holders who are Versartis shareholders will be “householding” the Company’s proxy materials. A single set of Annual Meeting materials will be delivered to multiple shareholders sharing an address unless contrary instructions have been received from the affected shareholders. Once you have received notice from your broker that they will be “householding” communications to your address, “householding” will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in “householding” and would prefer to receive a separate set of Annual Meeting materials, please notify your broker or Versartis. Direct your written request to Versartis, Inc., Kevin Haas, Corporate Controller, 4200 Bohannon Drive, Suite 250, Menlo Park, California 94025 or contact Kevin Haas at (650) 963-8595. Shareholders who currently receive multiple copies of the Annual Meeting materials at their addresses and would like to request “householding” of their communications should contact their brokers.

OTHER MATTERS

The Board of Directors knows of no other matters that will be presented for consideration at the Annual Meeting. If any other matters are properly brought before the meeting, it is the intention of the persons named in the accompanying proxy to vote on such matters in accordance with their best judgment.

By Order of the Board of Directors
